

# Space Website: 6 Hours on the 6 Train

By Holly Parkin

# Concept:

A website that shows 6 different time periods of the day on the 6 subway line, the functionality and navigation of each page reflecting the ease of real-life navigation during these hours on the subway.

Hunters Point Avenue [6](#) Lexington Avenue Local/Pelham Express to Hunters Point Avenue [6](#) L

01:00 04:00 08:00 12:00 15:00 18:00 01:00 04:00 08:00 12:00

- Marquee tag for scrolling effect – two lines in opposite directions

- Linked to 6 separate webpages (green hover link)

- Return to home page – 6 train icon

12:

•Photos could be static or moving with marquee tag (opposite directions) – faster movement (if movement is used)

•Navigation difficult, blockage of links at times by photos

•Crowded/claustrophobic

Hunters Point Avenue **6** Lexington Avenue Local/Pelham Express to Hunters Point Avenue **6** L

01:00 04:00 08:00 12:00 15:00 18:00 01:00 04:00 08:00 12:00

- Time of day identifies background change (dark for night hours, white for day hours)
- Minimal photos/slower movement (if movement is used)
- Empty/eerie (especially at later hours)
